CODE OF CONDUCT

Be Respectful

Respect the hotel, hotel staff, Anime Fargo staff, and respect others staying at the hotel.

Pick up after yourself and be mindful of the hotel property.

Follow staff member instructions.

Wear your Badge

Wear your badge between your head and waist and keep it visible at all times. If you enter a convention area without a badge you will be asked to leave.

Obey the Law

All local, state, and federal laws must be observed. If something is illegal outside the convention, it's still illegal inside the convention. This includes underage drinking: the drinking age is 21.

Observe Curfew Hours

Keep the noise levels down overnight – others may be trying to sleep!

Please note the hotel's curfew hours in the Hotel Rules section below.

Lost Items

If you find something that isn't yours, take it to Con Ops (Room 174). If you're missing something, check Con Ops.

Emergencies

In the event of an emergency, call 911. You may ask convention staff or hotel staff for assistance as well.

Above All: Have Fun!

HOTEL RULES

Please be respectful of hotel property and staff. We don't want anything broken, and we're sure you don't want to be responsible for something being broken. Just keep in mind that we're all guests at the hotel, and we want to keep coming back!

Only use painter's tape to hang posters and other things around the convention. Anything else will be taken down by a member of AF staff.

Again, we don't want to damage the hotel!

Please note that curfew hours for the city of Fargo are between 11pm and 6am. Any persons under age 16 are not allowed to be in a public space without a parent or guardian during this time, including the public spaces of the hotel.

(City of Fargo Ordinances, Article 10-0104)

ACCESSIBILITY & INCLUSION

Anime Fargo strives to be accessible to our con goers. We offer a variety of accommodations, such as priority seating, large print program guides, a quiet room, and more.

If you are in need of any assistance, please stop in to Con Ops.

We also are inclusive of the LGBTQIA2S+ community. Pronoun stickers are available at Registration.

COSPLAY & WEAPONS POLICY

Anime Fargo staff members have the final say on whether something is appropriate.

If it's illegal outside the con, it's illegal inside the con.

Anime Fargo reserves the right to change our policies at any time. That being said, we want all congoers to have fun and be able to proudly display their costumes!

For the purposes of this policy, a "costume" includes clothing, accessories, props, etc.

- Badges must be visible at all times, regardless of your costume/dress. Please display your badge somewhere on your torso (between neck and waist).
- Shoes must be worn at all times. Socks and bare feet are not permitted.
- Costumes must be cover areas commonly covered by a standard swimsuit and be in compliance with public decency laws and regulations.
- Remember, this is a family-friendly convention, and there will be children present. Profane language or symbols as part of a costume or printed on normal clothing will not be tolerated.
- Be tasteful with regards to clothing that may be offensive in any way.
- Cosplayers are asked to be mindful of the radius of their costumes and props. Some cosplays can be large and elaborate. However, please be courteous to your fellow con-goers. If your costume is interfering with others' movement, you may be asked to remove or change a portion.
- Any weapon props must be visibly peace bound.
- Live steel is permissible, but it must be peace bonded into the sheath. If there is no way to bind it into the sheath it is NOT permitted.
- Peace-bound bladed weapons CANNOT come out of their sheath at any time during the convention for any reason.
- Projectile weapons must be unfireable. How this is accomplished is up to the attendee. Some actions that will achieve this goal may include removing the firing mechanism, removing the firing pin, or making the slide/magazine load non-functioning. All projectile weapons will be peace bonded with a zip tie in such a fashion that the trigger cannot be pulled, as an added safety measure.
- No projectiles are allowed. This includes operating airsoft guns, filled water guns, and NERF gun darts.
- All non-steel and non-projectile weapons or props must be peace tied. This will be done with a temporary marking in a visible location on the prop that indicates that your prop has been approved by safety to be in the convention space.
- Consequences for removing a peace tie/peace bond will be determined depending on the type of weapon or prop, any actions involving the prop/weapon in question, and whether you have been previously approached.
- Consequences are at the discretion of convention staff and chairs. All decisions made will be non-negotiable and final.

Anyone deemed to violate these policies may be asked to change or leave the convention.

Anime Fargo fully believes that **COSPLAY IS NOT CONSENT.**

Please be respectful of your fellow congoers.

We have no tolerance for harassment.

Operations is open from 8:00a to 2:00a and is located in Room 174, by Registration.

CHARITY AUCTION

Anime Fargo is proud to support Youthworks of North Dakota as our 2026 charity.

The agency was established in 1979 as Mountain Plains Youth Services Coalition and we have been providing direct services since 1986 in Bismarck and 1991 in Fargo. Our offices are located in Bismarck and Fargo and we serve the surrounding counties in both North Dakota and Minnesota. Our focus and expertise is in working with teens, parents and young adults under 22 years of age. Most of the services are free and when there is a charge it is based on a family's ability to pay.

Our support comes from a variety of sources including units of government (state, city, county, and Federal), foundations, fees, schools, courts, and local fundraising. United Way provides funding for some of Youthworks' programs in both Bismarck-Mandan and Fargo-Moorhead. Contributions to Youthworks are tax deductible.

In our services directory are programs for runaway, homeless and street youth; juvenile offenders; youth failing in school; youth suspended or expelled from school; young parents and pregnant moms (under 22); youth arrested and unable to immediately return home; youth needing emergency care: youth needing peer support or cross-age mentoring; and youth with anger issues. We provide family counseling during the day and in the evening at the convenience of the parents.

Anime Fargo would also like to recognize the donors to the charity auction:

VOLUNTEER & HOSPITALITY

Anime Fargo is built and maintained by a community of people who love and appreciate anime. The hospitality and volunteer room is a place for people to talk to us about the convention, learn how to get more involved, pick up snacks, or just sit down in a quieter place in between everything else going on across the con.

This year we're running the volunteer guild, where individuals can earn guild points by helping with various tasks across the convention on their way to the S-Rank Volunteer Ribbon. Folks can also sign up for more dedicated opportunities and be part of the Buffington's Bunch. A team of dedicated volunteers who are there to make the convention a fun and amazing experience for everyone!

KALELEAF

Kaleleaf is a Minnesota-based cosplayer who started cosplaying in 2019. Since then, she has created multiple award-winning cosplays, including multiple Best in Show placements. Kaleleaf brings her knowledge of both mass-manufactured and handmade costumes as she is a print designer by day and a crafter by night.

Her favorite cosplay tasks include sewing, wig styling, 3D modeling, and finding ways to incorporate secondhand materials into her projects. Kaleleaf has a focus on proportion and clean construction with every build and she's always eager to talk shop with fellow crafters!

Outside of her personal cosplay achievements, Kaleleaf is passionate about mentoring new cosplayers and welcoming them into the community. Her leadership began in college, where she served as president of the Iowa State Cosplay Club and hosted panels. Today she continues to share her knowledge by presenting educational panels at conventions throughout the midwest.

CIARÁN STRANGE

Ciarán Strange (he/they) is an award-winning transgender voice actor most known for his androgynous vocal fry and high-octane emotional performances - from comedic hilarity to the ugliest of heartbreaks. His capacity to embody a wide scope of gendered roles, coupled with his signature party trick of effortlessly flipping between his natural English and learned American accents, have kept his career full of surprises.

Since his accidental voice acting debut as "Lorelei" in *Borderlands 3*, Ciarán has had the joy and honour of helping bring multiple characters to life in English, including Pairin in *The Apothecary Diaries*, McMillan in *Black Butler*, Azuma in *Takopi's Original Sin*, Riliphin in *Witch Hat Atelier*, Louis de Sade in *The Case Study of Vanitas*, Kousuke Misaki in *Tomo-chan Is A Girl!*, Luca Esposito in *ASTRA: Lost In Space*, Yū Bauer in *I'm In Love With The Villainess*, Mithril Lid Pod in *Sugar Apple Fairy Tale*, Andrew in *Clevatess*, both Sawyer and Hazel in the *Monster Prom* series, and kid Denji in *Chainsaw Man*. He's also played the titular leads in *AOASHI*, *Requiem of the Rose King*, *The Unaware Atelier Meister*, and *Evelogia* (18+).

Always aching to create and perform, Strange made the choice to leave his family, friends, and poky fishing village behind in his late teens—in order to chase his dreams across the Atlantic. From 2009-20, he toured the US, UK, Canada, and Japan, performing his own original pop-punk-rock music (plus covers and parodies) at hundreds of shows, conventions, festivals, and Pride celebrations. He's eagerly anticipating the launch of a new musical venture in late 2026.

Ciarán has also been an avid writer since he was old enough to hold a pencil. Married to a bestselling romance author, he has finally decided to allow himself the joy of expression via storytelling again under various pen names. Last summer, he relaunched his debut novel—an M/M urban sci-fi thriller named *Black Tie*—with its long-awaited sequel *Red Tape* releasing soon!

THE KAMIKAZE SNOWMEN

The Kamikaze Snowmen originally began in 1993 as a fun improvisational pastime between three junior high friends. The group evolved in the late 1990s–early 2000s into an indie comedy band, recording albums and playing live shows at coffee houses and college campus events. In the 2010s the Snowmen found a kinship with comedians and a home at conventions. Over the years they’ve grown their repertoire to include comedy showcases, hosting opening and closing ceremonies and cosplay contests, moderating panels with other guests, game shows, trivia, music video shoots, and more. The group now consists of primary members Paul “Not St. Peter” Tebben (he/him) and Josh “Trumbo” Trumbo (he/him), with alum Terry Bown II still appearing on album tracks when able. Taking cues from classic vaudeville and adapting various pop-culture landmarks into their music, The Kamikaze Snowmen provide inclusive and interactive content perfect for any convention setting.

CARLI MOSIER

Anime Fargo was excited to welcome our final guest, Carli Mosier, to AF 2026. However, a few weeks before the convention, Carli suddenly and unexpectedly was admitted to the hospital for a severe medical issue requiring extensive care and multiple emergency surgeries. At the time of writing, she is in stable condition and improving, but will not travel for conventions soon.

The team at Anime Fargo wishes Carli and her family the best while recuperating. We are sad that she is unable to join us for the 2026 convention, and will keep in contact to see if there is interest in a future year, after Carli recovers.

Additionally, the team at Anime Fargo wants to pass along the link to a GoFundMe (right) to cover Carli’s medical expenses for any who wish to donate.

THANK YOU!

Another year of Anime Fargo! We're so excited to have all of you here to join in our celebration of heroes. AF has been operating since 2014, and in that time we've had thousands of attendees and hundreds of staff and volunteers support us. We're grateful to each and every one of you.

This convention would not be possible without our talented all-volunteer staff and the hundreds of hours they've spent planning, setting up, working, tearing down, and helping everyone else. There's a lot of behind the scenes work that goes into a convention and so many people have pitched in with their varied fantastic skills to keep everything running smoothly and moving forward.

A special thanks goes out to our parent organization Digital Grail for their continued guidance and support in running this convention. Additional thanks goes out to our sibling convention, CoreCon, for their assistance and support in our early years and ongoing collaboration to ensure both conventions be the best experience for fans of anime, sci-fi, horror, and general nerdery.

SPONSORS

We'd like to give an extra shoutout to those who are able to support Anime Fargo at a sponsorship level (in exchange for perks at con, of course!). These wonderful people provide additional support to keep the con running smoothly, year after year, and we couldn't keep AF running without them! If you'd like information on becoming a sponsor for 2027, ask at the Registration desk!
